Please send future monthly utility bills to my tenant on the above referenced account. I acknowledge that in the event tenants do not pay the monthly wastewater service fees, I will be responsible for all unpaid fees, late charges, and all costs that the City may incur in collection of delinquent fees including reasonable attorney fees. I understand that although I will receive a monthly billing statement of my account balance, it is my responsibility to verify account balances. In addition, I understand that the effective date of billing the tenant will begin on the above effective date providing the account balance is at zero on the billing date.
